Committee Updates

2014-2017 Strategic Plan

Mission

Current:

The Wellness Network is a sustainable, campus-wide coalition that serves as a visible and credible resource for campus wellness and a source for information exchange. The Wellness Network brings together advocates for health and wellness from across The University of Texas at Austin in order to share information, strategies, and resources that support a healthy campus culture and a campus environment in which the healthy choice is the easy choice. The Wellness Network works to define, create, and promote health and wellness programs and initiatives that are relevant to and have an impact on the University community.

Mission

New Options:

1. Collaborating for a healthier UT
2. Working together for a healthier UT
3. Creating a healthy campus culture and environment
